- n. Unmotorized or Motorized Food Trucks (4/2018)

Food trucks shall be permitted in accordance with the Permitted Uses subject to the following standards:

- 1. Food trucks may conduct sales while parked on a public street when the Town Commissioners has approved a temporary street closing for a Town-sponsored or civic event such as a street festival/fair.
- 2. Food trucks may operate on an individual private property for a maximum of twenty (20) days, three individual weekend events, or both each calendar year when utilizing a temporary event permit for each individual parcel on which the food truck is located.
- 3. Food Truck Location. Food trucks must be located at least 100 feet from the front or rear door of any restaurant and outdoor dining area and at least 50 feet from any permitted mobile food vending cart location. Additionally, food trucks must be parked at least 15 feet from any fire hydrant, and 5 feet away from any driveway, sidewalk, utility box or vault, handicapped ramp, building entrance or exit, or emergency call box. These minimum distance requirements are all measured in a straight line from the closest point of the proposed food truck location to the closest

point from the buffered point, or in the case of a restaurant measured from the closest point of the restaurant's main entrance. If a zoning permit is issued and a restaurant subsequently opens within 100 feet (measured from the restaurant's main and rear entrances) of the approved food truck location, the food truck may continue to operate until the permit expires.

4. Zoning Permit. A zoning permit is required for each site and must be signed by the property owner, and completed and submitted along with a site plan or plot plan. If a property owner has a property large enough to accommodate more than one food truck, only one zoning permit is required to be submitted showing the location of all food trucks. The plot plan must show the limits of the property, the location(s) of the proposed food truck, and label adjoining uses on neighboring properties. The applicant must also submit a NC Department of Agriculture Permit and a copy of the vehicle or trailer registration.

5. Parking. Food trucks may not occupy any required parking space for the primary use while the primary use is open to the public. Food trucks and the primary use may share parking spaces when having separate hours of operation. Food trucks may not park in handicapped accessible parking spaces, nor can they park in access or drive aisles. The approved location for the parking trucks, as shown on the zoning permit, must be physically marked. The food truck parking space can be marked with paint, tape or other easily identifiable material. Food trucks may not be parked in an approved location after hours of operation.

6. Hours of Operation. Food trucks may operate between the hours of 6 a.m. and 11 p.m., unless the food truck is located within 150 feet of a property with a single- or two-family residential dwelling. When located within 150 feet of this residential dwelling, the hours of operation shall be between 7 a.m. and 6 p.m. This measurement is taken from the property line of the residential dwelling in a straight line to the closest point of the approved food truck location.

7. Prohibitions. Food trucks may not use audio amplification or freestanding signage. All equipment associated with the food trucks must be located within three (3) feet of the food truck. The food truck operator is responsible for disposing of all trash associated with the operation of the food truck. Town trash receptacles may not be used to dispose of trash or waste. All areas within five (5) feet of the food truck must be kept clean. Grease and liquid waste may not be disposed in tree pits, storm drains, the sanitary sewer system or public streets. Food trucks are all subject to the Town-wide noise ordinance.

8. Maximum Number of Trucks per property. Maximum of two (2) food trucks on lots of one-half acres or less.

9. Maximum of three (3) food trucks on lots between one-half acre and 1 acre.

10. Maximum of four (4) food trucks on lots greater than 1 acre.

11. Outdoor seating associated with a food truck is only permitted on lots at least two acres in size or greater.
